

Forklift Electrical Parts

Electrical Parts for Forklifts - Forklifts along with different forklifts can have specific labels utilized in certain hazardous locations. The mark denotes that this specific model of forklift meets the minimum standards of ANSI/UL 553 utilized for electric lift trucks or ANSI/UL 558 for internal combustion engine lift trucks.

The application for labels meant for lift lift trucks may be found in National Fire Protection Association NFPA 505 - Powered Industrial forklifts including: Type Designations, Areas of Use, and Maintenance and Operation. Check with your local insurance carrier and Fire Marshall for more information about the approved uses of industrial powered lift trucks in your application.

If the forklift has been proven to meet the outlined criteria, the following labels may be placed. A labeled truck will have the model designation located on the lift truck nameplate and would have one of the following labels placed.
