

Advance-Nilfisk Parts

Advance-Nilfisk Part - Imagine how long and tedious it will be to tidy up right after a party, with out help from machines. Not too long ago, the dirt from carpets and upholstery had to be beat out of them by hand; brushes, cleaning cloths and brooms were the leading cleaning products at the time.

P.A. Fisker, the man who founded Nilfisk-Advance, was an electrical engineer who loved working with electrical motors. Establishing the business in 1906, he began to produce motors to drive drills, fans, machine tools and coffee grinders. Mr. Fisker's dream from the beginning was to own a global business marketing goods worldwide.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning industry. Mr. Fisker invented a remarkable, ground breaking vacuum cleaner that could be operated by one individual as it only weighed 17.5 kilos! This creation came in a time where various cleaning equipment were massive and needed 4 or more operators, hence, the Nilfisk C1 changed everything and developed the manner we clean forever. The genius behind these very first cleaning equipment remains unparalleled. Cleaning machines offer an excellent solution to an ongoing dilemma; stuff get dirty and should be cleaned regularly, without a lot of effort.

Slowly but progressively, Nilfisk-Advance expanded throughout the years. During the 1980s, this expansion actually occurred when the business became a part of the NKT Group. Their new owners' ambition and motivation made Nilfisk-Advance take a huge leap ahead within the business, aiming to be one of the largest international players in the market of professional cleaning machines. Nilfisk-Advance is currently found in every part of the world due to steadily acquiring a lot of small businesses so as to develop their product range and presence in new markets. They are really proud to present various cleaning solutions to meet every requirement.
