

## Axle Tech Part

Axle Tech Parts - The company of AxleTech International is a large supplier of specialty vehicle drive-train systems and parts along with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to exceed and meet their customers' expectations for technology, delivery, quality and service. They believe in working within an atmosphere which supports the utmost integrity with empowered teamwork, together with a unrelenting pursuit of results.

AxleTech International is a General Dynamics company. They believe strongly in actively applying principals of environmental safety and stewardship in how they do business. The company has put various programs in place in order to articulate these values within their business policy. AxleTech gladly shares this policy and welcomes interested parties to offer them with whatever comments or questions, as they are glad to promote and share this policy with a greater knowledge of their efforts. They are very devoted to improving and preserving the environment. AxleTech has an EHS program which not only protects the environment but which also actively protects their neighbors and employees too.

AxleTech prides themselves as being a ground-breaking drive-train solutions provider. They specialize in designing and manufacturing planetary axles for both military and commercial applications. These applications range from construction equipment to airport ground support. AxleTech particularly designs axles so as to meet specific application demands. They have over one thousand different axle specs within their current offering. With more than 100+ years of experience and history, AxleTech proudly supplies the most complete solution for whichever of your axle needs. The company is well known in various commercial and military applications. They provide complete axle assemblies used for aftermarket replacement needs, along with servicing axle requirements for OE production. Their high mobility ISAS have extra details which can be seen in the "ISAS" product selection.
