

## Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Parts - Ingersoll Rand provides solutions, services and products to be able to increase the productivity and ensure efficiency within industrial, commercial and residential surroundings. They pride themselves in providing products to be able to improve the comfort, security, health and safety of individuals around the world all through their four international segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman makes refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient heating ventilation and air conditioning systems, building and contracting parts support, advanced controls and services used for both residential homes and commercial buildings.

The Industrial Technologies sector of Ingersoll Rand offers solutions and products to be able to improve productivity, operations and energy efficiency for their customers. The range of products in their line include: tools and pumps, and material fluid handling systems to complete compressed air systems. They have even developed Club Car, the international leader in utility and golf vehicles for companies and individuals.

Well-known trade names such as Trane and Schlage compromise the Residential Solutions business, delivering comfort, safety and efficiency to home owners all over North America. Several of their innovative quality products include electronic and mechanical locks, indoor air quality solutions, heating and air conditioning systems, portable security systems, advanced controls and remote home management.

The sector comprising Security Technologies provides products that ensure safe, productive and secure surroundings. This division's market leading products comprise door and floor closers, exit devices, portable security devices, electronic and biometric access control systems, cabinet hardware, steel doors and frames and locks, decorative hardware and locksets. Schlage even has products that offer attendance, personal and time scheduling systems.
