

American Lincoln Part

American Lincoln Parts - The American Lincoln division is now connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines which are recognized within the business as durable and strong machinery which satisfies all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to provide machinery, parts and warranty service for these types of scrubbers which have both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where results and efficiency make a difference. Lately, this floor scrubber model has been utilized by the architects in different construction projects like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this particular sweeper scrubber on site because of the model's high standard of quality and utmost performance level for polishing concrete.
